Good morning! Attached is the latest excel sheet. I have color coded by status to make it a bit easier to go through this afternoon.

Thanks!

For our legislative status meeting today at 3pm, would you please call me on my cell? I will be relieving Tobey with a sick kiddo this afternoon and working from home.  
I've downloaded the most recent master excel list onto my laptop, if there's a newer version before 3pm – please send it to me via email.  
We'll be going over what passed, failed, and wasn't heard in committee of house of origin as of today – hope our lists begin to whittle down! ☺  
Thanks - B
